About Energy Equipment Controls LLC

Energy Equipment Controls LLC (EEC) is a wholesale distributor specializing in industrial and commercial controls and control systems for combustion, HVAC, and process applications. For over 25 years, EECI has provided controls and technical assistance for all types of applications. Our service is unique in our industry for several reasons.

- We carry a large supply of inventory in our local warehouse for rapid order fulfillment and shipping.
- We maintain a network of suppliers throughout the Continental USA to provide rapid delivery on even hard to find items.
- Our sales and customer support staff has over 50 years of combined experience specific to the controls industry to provide technical support for everything we sell.

Since its inception in 1984, EECI has provided controls, systems, and technical support to all types of Government Facilities including Military Bases, Government Office Buildings, Veterans Administration Hospitals, and more. EECI is a financially responsible and well respected supplier of many of the major controls manufacturers of Combustion, HVAC, and Process controls and systems.
